## 1990 CONESTOGAN

ELIZABETHTOWN COLLEGE Elizabethtown, Pennsylvania 17022

The High Library Elizabethtown College Elizabethtown, PA 17022-2298

### NEW

# Beginnings

The decision on a yearbook theme is never an easy one, but New Beginnings seemed to best capture the mood of Elizabethtown College for 1989-90. The year was characterized by new things and people on campus, as well as the continuation of the tradition of excellence Etown provides.

Each year brings new beginnings in the faces of freshmen and transfer students, but 1989-90 also brought new beginnings in Dr. Ronald Brown, Dean of College Life; the construction of the High Library; implementation of a new core, as well as a new look and publisher for the yearbook you are now reading. So, flip through these pages to start a new beginning of your memories of Etown College.

Traditional special events included Parent's Weekend, TGIS, Homecoming, and Big Brother/Big Sister. Students also had an opportunity to experience samples of different cultures. Dr. Kraybill's presentation on the Amish gave the students a glimpse inside a culture in their own backyard.

#### A NEW YEAR

Convocation marks the formal beginning of the new academic year. The ceremony begins with a processional of Elizabethtown faculty and administrators. The ceremony also includes an address by the president, as well as a distinguished speaker. For the student body, one of the

highlights of Convocation is the presentation of the College Scholars. These students have completed at least sixty credit hours at Elizabethtown, while maintaining a minimum GPA of 3.75. This year, 26 College Scholars were honored.

#### STUDENTS HELP THE HUNGRY

The CROP Volleyball Marathon is an annual fall event held at Elizabethtown College. The purpose of this event is to raise money for the hungry. Participants obtain sponsors to pledge dollar amounts for each hour they play volleyball. The games

are scheduled throughout a twelve hour period. During this period, music is broadcast to help keep the players awake. The college provides an early morning treat for all the participants, donuts and juice.

In the beginning, most players are eager to make the big plays.

#### BACK "HOME"

Elizabethtown College celebrated its Homecoming festivities in early October.

On Saturday many fans came to see the long awaited Blue Jay soccer game against Trenton State. It was an exciting game and the team played extremely well, but met defeat. During half-time, the 1989 Homecoming Court was presented. This year's court consisited of freshmen Michelle Degler and Brandie Tallman, sophomores Udochi Amachi and Kerri Slaven, juniors Beth Compton and Amy Herman, seniors Halley Baker, Kelly Bergstresser and Mandy Weaver; Monica Esh, also a senior, was proudly presented the crown to begin her reign as queen.

The beautiful weather on Saturday also greeted the many visitors to the annual midway. Campus clubs and organizations sold a variety of merchandise in order to raise money for their various activities.

A highlight of the weekend was the traditional Homeoming Dinner. This elegant feast provided many delicious foods to please everyone. That night in the A.A., Johnny O and the Classic Dogs of Love provided excellant musical entertainment.

# TIS THE SEASON

Although the end of the fall semester brings with it finals, so comes thoughts of Christmas. Elizabethtown College gives its students a chance to celebrate the festive season with their friends, before finals begin. A holiday buffet dinner is held in the cafeteria, with Santa making an appearance. Dorm decorating contests are also held each

year. Members of the halls do their best to make the dorms look like a Christmas wonderland. During a hectic academic time, students still find time to enjoy the holiday.

#### UP, UP, AND AWAY

Mother nature may have interfered with the balloon rides in the past but the 1990 balloon went up without a hitch. Schlosser Dorm Council sponsored the event that was held in the spatious Dell. The balloon was donated by the parents of an Elizabeth-

town student. Students who paid a dollar, got the chance to view the campus and the surrounding area from a new perspective. The campus wide event was a success that in the future will hopefully become an annual event.

THE PRIME OF MISS BRODIE was a classic tragicomedy brought to Elizabethtown College in bold and exciting, three-dimensional arena staging. The Alumni Auditorium Theatre became almost simultaineously a convent, girls' school, artist's studio, apartment, picnic ground and several other locations in

this compelling yet humorous drama about a strong-willed teacher and her parochial administrators, and the impressionable young students caught between them. The production, directed by Dr. Edmond L. On April 7, 1990, juniors and seniors donned their party clothes and headed to the Eden Resort Inn located in Lancaster. As is customary, the junior class had spent long hours planning the special night. The evening began with hors'deouvres and continued with a buffet style dinner. ### IT'S GREEK TO ME

Thank God It's Spring! This weekend could not have come any sooner for some students. As usual, this weekend was filled with exciting activities to relieve the stress of the long winter semester. The weekend began Thursday, April 26, 1990, with the announcing of the lucky win-

ners, who were sent to the Bahamas for this long week-end. Friday night many students enjoyed the relaxing atmosphere provided by Danny McCarthy at the campfire. In sticking with the theme, Greek games were held Saturday afternoon followed by the annual TGIS

dinner in the gym. Saturday night's dance featured Johnny O and The Classic Dogs of Love: The weekend came to an end with an indoor picnic and the music of Steve Courtney. As a special treat, Doah performed a concert Sunday night in the AA.

### A GROWING CAMPUS

Elizabethtown College has been in desperate need of a larger library due to the quantity of students, both from this college and others, who require the services offered there. Besides containing more books, the new library will offer more areas in which students can study. Near the end of the 1988-89 school year, construction be-

gan on the new High Library. Standing where a commuter parking lot once was, the new library is now nearing completion. Once finished, items from Zug Library will be moved to High Library and Zug will be renovated for other uses, including a new home for the Music Department.

Most clubs set up stands on the Homecoming Midway.

Elizabethtown College's clubs form a very important facet of the college experience. Students participate in clubs to enjoy a hobby or to gain experience related to their major. 1989-1990 was a beginning for three new student organizations on campus, Habitat for Humanity, Students In Free Enterprise, and the Pre Law Club.

For several existing clubs, it was a year of big things. Circle K won several awards at their state convention, including awards for Outstanding President, and a first place service award for their "Hands Across Campus" event. WWEC finally received its FM permit from the FCC after a three year wait and will broadcast educational programming.

Men the senior class arrived at this campus four years ago things were very different at Elizabethtown College. The college operated under a liberal alcohol policy, little was mentioned about AIDS, and ethnic diversity was not discussed.

The class has been faced with many obstacles including an unstable and changing administration. While the past few years have been full of controversy, opposition, and dissapointments, the class can still look back on great times and respected accomplishments.

The senior class officers have been busily involved with homecoming events, the Junior/Senior dinner dance, and other campus events. They have also established, for future graduating classes of Elizabethtown College, the priviledge of selecting the commencement speaker for the ceremony.

The senior class was forced to grow because of the changes they experienced. Because of this growth, the class of 1990 leaves Elizabethtown College with more than just an academic education. The graduates leave as well-rounded individuals, having been exposed to new experiences and the friends with whom they shared them. Congratulations to the Class of 1990.

### Conestogan

The theme of this book, New Beginnings could most likely best describe the Conestogan itself. Both of us were new to the job of editor-in-chief causing us to learn as we went along. For the first year, the Conestogan worked with Taylor Publishing Company with Ed Pattrick Jr. as our representative. Also involved in this change was a switch in the production of the book; computers were almost entirely used for both lav-outs

and copy therefore allowing the staff to save time. In the struggle to deal with all of this, extremely patient section editors and advisor, Jaime Byrne, emerged. We would like to thank everyone who made this yearbook possible. This yearbook is believed to be Elizabethtown College's best yearbook ever. Hopefully, your feelings are the same. Thanks to all for a memorable year.

### **APB**

The Activities Planning In addition to Act 31, APB Board is a committee whose popularity and involvement have doubled over the past few years. The biggest change has been the popularity of the night club. Act 31 was originally going to be held in the bowling alley, with just a few shows. However, the popularity has exceded their expectations.

has also started the tradition of semi-annual campfires.

This year APB began inviting guest speakers for educational topics such as the prochoice issue and relationships. APB plays an important part in getting the campus involved and they hope that the growth and enthusiasm will continue.

## **Physics**

During the past year, Dr. Stuckey has begun to reorganize the physics club. In the past years, there has not been enough interest to successfully maintain a social organization. However, his enthusiasm and the increasing interest in the field of physics gave this club a new start. The group planned and organized a high school science bowl to be held at Elizabethtown College. Due to a late start, the competition was rescheduled for next year. Members need not be science oriented to join the fun.

The psychology club has approximately thrity members, some of which are psychology majors and minors, while others are just curious about the field. The goal of this club, with the support of the psychology department, is to facilitate student participation in guest speakers and professional conferences. ## History

The history club brings together history enthusiasts in a friendly atmosphere to discuss their various areas of interest. Although a small club, the members still hold annual fundraisers and take field trips to local places. The club also sponsors an honor society, Phi Alpha Theta, for those students who excel in the field of history. The club stays active on campus by hosting guest speakers.

### **Commuters**

The commuters are a unique organization on campus. Since this group of students do not reside at the college they do not have a room to go to between classes. For this reason, the BSC has a commuter lounge designed to aid these students and contains vending machines, a refrigerator, and TV. The members sponsor game nights, hold fundraisers, and have intramural teams.

### Brethren Fellowship

The members of the Brethren Student Fellowship find direction and strength not only from its advisor. Dr. Christina Bucher, but also from the other other individuals in the group. The club's main goal is to give people with similar beliefs an alternative activities, both on campus and off. Each year at Christmas time, the members of this club go caroling at the clowning workshop.

### Habitat

Habitat for Humanity is a new internationaly recognized club here at Elizabethtown college. During spring break, fifteen club members traveled to South Carolina to help with the clean up from hurricane Hugo. Habitat for Humanity is an organization which not only attempts to make people aware of the lack of adequate shelter, but also gives new hope to those families without it.

### Social Work

It takes a special person to be a social work major. To voluntarily give their time to do all they can for others is the goal of this club. They sponsored a children's theme week in January in hopes of increasing the awareness of the students of the E-town campus. In the past, the club has sponsored special events, informative programs, and fundraisers all for the benefit of others.

## Pi Theta Epsilon

Pi Theta Epsilon recognizes and encourages scholarship and service involvement of occupational therapy students. The members are all juniors and seniors. This club contributes to the advancement in the area on campus. Pi Theta Epsilon also raises the visibility of the field of occupational therapy in the local community. In the past year, the members of this honor society traveled to a a

local childrens hospital and nursing home to visit with the patients. The time they give is voluntary, but the smiles on the faces of those they visit is payment enough. These students give their time to help others who are less fortunate. They take pride in being in a field with the main goal of helping and improving the lives of other people.

This group sponsors an annual Delphi Lecturer to speak at Monday at Ten.

Along with this speaker, their is an evening banquet so the members of the society can speak personally with the distinguished guest.

The club also has an initiation banquet for its new

ation banquet for its new members and a pizza party at which the next years officers are elected.

### **Black Student Union**

The Black Student Union is a group organized to provide unity and outreach to the campus community. twice each week, members meet to discuss the business of the club, as well as issues of concern. For nearly three years now, the Black Student Union has been organized and active in various aspects of campus life.

The Black Student Union, sponsored a theme weekend which included a a special dinner, speakers, and various campus events. The theme

weekend was an aggressive undertaking for the small but energetic group, many of whom are first-year members. The B.S.U. also took charge of the minority weekend, organized for all minority groups on campus. This weekend also involved a special dinner and speakers, as well as a panel discussion.

The Black Student Union is not a culture club, but rather a service group open to all who wish to promote cultural diversity.

### **Student Senate**

The Student Senate is the governing body of this campus and is comprised of class officers, club and dorm representatives. Most of the work they do goes on behind the scenes. However, they are reponsible for one of the biggest annual events, homecoming. This event requires dedication by the members of this group and takes months to plan. In the past year, they also supported family night and sponsored a Monday at ten speaker.

During the past school year, the group operated under a newly written constitution. Although some flaws in the system were found, the members were pleased with the new document. Several revisions have been made for the next year.

Student Senate has been under the supervision of president Kelly Bergstresser for the past two years and she was recognized for her service.

It seems like only yesterday that they were freshmen.

I ronically, the new beginnings for members of the senior class comes at the end of their final year at Elizabethtown College. 1989-1990 seniors leave the halls of Elizabethtown College to find the world a greatly changed place from what it was when they were freshmen four short years ago.

The seniors, to help make the college a better place for those yet to come, had the highest ever participation rate in the senior class pledge program.

The class of 1990 also gave the college funds to be used towards the purchase of new books for The High Library through the adopt a book program. They hope the books will enable others to make new beginnings.

For the softball team, half-time pep talks are important.

Rather than new beginnings, 1989-1990 was more the continuation of a tradition of excellence for Elizabethtown College sports teams.

Several individuals set or broke school records. Some of these athletic standouts were Brent Bruglar, Jim Hepfer and

Karen Barclay.

Team efforts were also very successful. The wrestling team logged its 275th win under Coach Ken Ober, setting a school record for most wins in a season, and placed fifth in MAC's.

The men's soccer team won a national NCAA championship, adding yet another trophy to Etown's impressive collection. The golf team also placed fifth in the MAC's, under the direction of Coach Royal Snavely.

# NEW BLUE WEARS THE RING

Men's soccer took on a whole new meaning in 1989. The Blue Jays, known as the New Blue, kicked off their season with three consecutive wins. Little did they know that they were to win the National Championship in Division

The entire team worked hard together to reach the highest possible goal. The tricaptains, Robbie Martin, Mark Pratzner, Mike Deck, pulled the team together with inspiration and out-

standing performance.

The season ended in twentyfour wins and three losses. The turning point of the season was the victory over rival, Messiah College. The enthusiasm and dedication of the fans not only peaked at the away game, but continued throughout the rest of the season.

Not only do the players themselves deserve credit, but the coaching staff does as well. Skip Roderick, head coach for seven years, led the Jays to victory.

The most unique aspect of the New Blue's season was the closeness and equality of the team. In past years the team consisted of many individuals, but in 1989, they were a team that shared a heart and a common goal.

The junior varsity team had a very successful season also, with twelve wins and one loss. With youth as a dominating factor in the winning season of 1989, the New Blue has a very promising future.

## **RUN AWAY**

The Elizabethtown women's cross country team ended the 1989 fall season with a record of ten wins and four losses. Coach Luy feels that the women's team had been very competitive in challenging the best teams in the MAC Championship meet. The team's competitiveness was exhibited in their performances at the season's key invitational meets. The women revealed their determination and strength by placing third at the Dickinson Invi-

successful season through dedication and teamwork. The team's twelve members together ran to take eighth place, their highest finishing rank, in the MAC's. Although cross country is a sport of individual performance, tricaptains Donna Scharr, Cecilia Schodowski, and Stephanie Carpenter pulled the women together and made them a team that competed as a single unit. With continued dedication from these talented athletes and those to come, future seasons are sure to be just as successful.

# READY, SET, SPIKE

The Lady Jay team was unique in that the upperclassmen had not previously played together. This in itself was a major obstacle of the season. 1989 brought about a brand new starting line-up for the Lady Jays. Coach Drazkowski was faced with thirteen girls, all fighting for starting positions.

After many weekend tournaments at Alleghany, Juniata, Elizabethtown, Eastern Connecticut, and a bit of a midseason slump, the ladies finished third in MAC Playoffs held at Haverford College.

The whole team deserves credit for their hard work and dedication in the fall season. With four out of five starters, including co-captians Amy Michener and Nancy Dunmeyer, returning next year, future seasons should be a great success.

## **Shoot To Win**

When asked to describe the basketball team, one word came to Coach Dave Lebo's mind: overachievement. The team had an ontstanding season, despite the fact that they had several strikes against them at the beginning of the year. They had lost several players who had been injured or had not returned, and they had to adjust to their third head coach in the past three years. However, the team

went straight to work refusing to be discouraged. They kept positive attitudes throughout the season and were completely dedicated to the team while Coach Lebo worked them hard and got the most out of the team. Not only did each of the cocaptains, Jim Hepfer and Brent Brugler, reach the 1000 point mark, but they also were a constant motivational force behind the team.

The seniors have each give four years of their time, tal ent and dedication to hely make the Jays the excellanteam they are. They set a example for the younge players to follow and established a precedent of excellence for future teams twork towards. Their commitment has been exceptional and we'll miss them!!

# Through The Hoop

The basketball season was a hard road for the Lady Jays. Despite a disappointing finish, the team members have a positive outlook for next years season.

The three captains, Pam Boteler, Sue Kreider, and Pam Levan, kept up the team's morale and supported the team through the tough moments.

All of Etowns players show great strength and courage which will add up to future wins. The 1989-90 team was young, but they show a lot of potential. With hard work and dedication, next year's team can look forward to a successful season.

The Elizabehtown wrestling team had another successful season on the mats. Under the coaching staff of Kenneth Ober and his son, David, the team was able to capture an outstanding record of 21-5 going into the Middle Atlantic Conference Championship.

Co-captains, Dave Mc Houl and Benn Druck, made up the backbone of the Blue Jay squad. They helped to revive the wrestling program during their four years at Etown and will be missed by the younger teammates.

The team established a school record for wins in a

season for the second consecutive year in a row. With only three seniors leaving and a very young, but talented group of men behind them, breaking the school's record for the third year in a row seems to be a sure bet.

# ALL IN FUN

Intramural sports is very popular on campus. It gives those students who enjoy sports a chance to play, whether they are athletic or not. All types of intramural games are held including flag football, soccer, softball, and volleyball to name a few. Games are held in the evenings or on Saturday afternoons. Intramural sports provide an escape from everyday activities. Anyone can form a team, a hall, a club, or even a department.

In the past year, many events have taken place that have widely effected the world. The following are only a few of these events and people.

Border guards stand atop the Berlin Wall, awaiting reaction to the opening of East-Wast German borders on Friday afternown, November 10, 1989. There was great jubilation after the opening, with thousands of East Germans moving into the West after all border crossing points were opened. In the background is the Brandenburg Gate.

It was the worst oil spill in history. The Alaska oil spill occurred on March 24, 1989 when the oil tanker Exxon Valdez ran aground in Prince William Sound, A total of 11 million gallons of crude oil covered the area and created an environmental nightmare.

Paula Abdul is very popular. The 25year-old choreographer, who got her start teaching Duran Duran and other groups how to dance, is now topping the charts herself, as a singer. She is also giving her former students a run for their money.

It was a long trip — 4.4 billion miles that took 12 years — but Voyager 2 arrived over the planet Neptune in August. It was a scientist dream-come-true. Volumes of scientific information and thousands of photographs were sent back to earth.

The comic book hero Batman was the movie hit of the year, producing over \$200 million in revenue. Michael Keaton played Bruce Wayne, also known as Batman, and Jack Nicholson starred as The Joker.

In late May and early June, tens of thousands of Chinese pro-democray protesters gathered in Tinanamen Square in Beijing to seek political change. But their protest ended in a massacre. Government soldiers, using tanks and automatic weapons, ended the protest. Thousands were killed and wounded.

Here she is, Miss America 1990 Debbye Turner. The 23-year-old veterinary student from Mexico, Missouri, is the third black woman to become Miss America in the pageant's 68-year history, (Miss America 1984, Vanessa Williams was dethroned and the first runner-up, Suzette Charles, also black, replaced her.)

At 5:04 p.m. on October 17, the earth shook in northern California. An earthquake that measured 7.0 on the Richter Scale destroyed parts of Oakland, San Francisco, and surrounding areas. More than 60 were killed, hundreds were injured and the damage topped \$2 billion.

Arsenio Hall was the star in the film "Coming to America" and later showed that he had what it takes to star on his own television show. His syndicated late night talk show got started earlier this year.

The \$530 million Stealth Bomber made its debut this year to the rave reviews of the Pentagon. However, its many critics say the plane, although difficult to detect by radar, is too expensive.

Hurricane Hugo swept through the Caribbean and slowly made its way to the coast of the United States. It hit Charleston, S.C. where the 135 m.p.h. winds caused billions of dollars in damage.

Political problems in the Middle East continued this year. Problems between Arabs in Israelis continued and the factions within the Arab population made Beirut a constant war zone.

Cincinnati Reds manager Pete Rose, one of the greatest players in the history of baseball, was banned for life from the game because of gambling. The baseball commissioner found that Rose bet on his own team.

CONGRATULATIONS BOB! We sent you off to get a degree, Little did we know what was to be! A dorm room turned into a showroom for all to see-What a shock for Dad and me! In no time at all we received a call. Etownian Editor-in Chief you became.

Another step in your rise to fame! Each time semester grades arrived we began to fill with pride. Was this our son who was happy with C's now only over 3.0 would please? There seems to be no end to what

cooking dinner, computer lab and "flipping burgers" at the Jays Nest too! Besides giving you an education for a

head start in life. Elizabethtown is the place you met Deena, your future wife!

Our dreams for you are coming true and son we are so proud of you! With all our love we give our congratulations

on your graduation. You'll soon be off to get your Masters Degree.
